Description A4 Mono Laser Printer

- Print Speed: up to 45ppm
- Duplex Print
- Wireless (optional)
- [MPS Plans available](#)

A compact workgroup printer with solid performance, the Fuji Xerox DocuPrint P455d has a 45ppm print speed and a first-page-out time of less than 5 seconds. The smart and

simple paper path of the duplex feature adds to its superior reliability. This device has proven to be an economical choice – the high yield cartridges and toner saving mode can reduce running costs; and the convenience of user replaceable parts can reduce ongoing maintenance costs and ‘down time’. Secure printing as well as optional Wi-Fi, extra tray and warranty extensions are also available.

****Ask about our special offer - 3 year on-site warranty included for ABN Holders****
